

Quilting Services

Prices are determined by quilt size and complexity

Stephanie will help you choose the best method and designs to enhance your quilt

✚ **Edge to Edge Design:** A continuous design from edge to edge of the quilt. Pricing is determined by the density of the design. **.02-.035/sq in**

✚ **All over design with border treatment:** A continuous design in the center of the quilt with one border treatment. **.03-.04/sq in**

✚ **All over design with multiple border treatments:** A continuous design in the center of the quilt with multiple border treatments. **.04-.045/sq in**

✚ **Custom quilting:** Specific placement of patterns in blocks, borders, sashings, and setting triangles. **.045-.085/sq in**

✚ **Heirloom quilting:** More detailed and intricate than custom quilting. This can include quilts with applique and Judy Niemeyer quilts. **.075-.10/sq in**
